

# World Language

## - Fifth grade

# Bienvenidos

Students in fifth grade have Spanish on Monday and Friday from 8:35 to 9:25. Students have teacher-created books which do not leave school. Señora Leuschner will send home study guides before each test so you may review at home.

In fifth grade students will study:

- Shapes (review colors and numbers 1-10)
- Time (and number review)
- Seasons and Weather
- Clothing
- School subjects and supplies
- Likes/dislikes
- Tener expressions

Students grades will be calculated in the following manner:

Class work	40%
Tests/ Quizzes	40%
Participation	20%

I will follow the grading policy as listed in the Milford calendar.

If you have any questions or concerns please contact me at :
