Dear Parents:

The purpose of this survey is to learn more about your perception of Milford School during the 2008-2009 school year. Your opinions are very important to us. Your feedback will be used internally to provide valuable information to guide decision making, and to formulate recommendations for improving the educational program. It will not be used for staff evaluation purposes and we ask that you refrain from specific references to individual staff members. Feel free to further clarify your responses in the comment area provided. Please take a few minutes to **fill out a survey for each of your children**. Surveys may be mailed to the Superintendent's office, or returned to your child's homeroom teacher by **Friday, June 12, 2009**. We encourage you to respond as soon as possible. Thank you.

Sincerely,

Ed Stoloski, Superintendent
