- March 2 Read Across America Day

Dear Parents:

Here is what has been happening at Milford School:

Kindergarten Roundup

Milford residents who have children who will be five years old on or before Oct. 1, 2012 are invited to attend our kindergarten roundup on Tues., Feb. 21 at 1:00PM. Our kindergarten teacher, Mrs. Warner, will present an informational program about our kindergarten curriculum and the children will have a meet and greet with each other.

Parents or guardians must provide a birth certificate, proof of immunizations and a current health physical for kindergarten

registration. If you have any questions, please call the school office at 995-4349.

Student of the Week

Jessica Huber is our student of the week. She was nominated by her entire fourth grade class because she is extremely nice and helpful and a hard worker. Jessica studies very hard for tests and is successful. According to her classmates, she is nice 24 hours a day, 7 days a week, and 52 weeks a year! Congratulations, Jessica!

Honor Roll

I am delighted to announce the following students who have earned the honor roll for the second marking period:

8th Grade
Katie Haff*
Maisa Kimble
Liam McCracken
Jarrid Roye*
Brianna Schonheiter
Sean Thompson*

Writing Award: Katie Haff

7th Grade
Eli Andrade
Francesca Appello*

Alicia Dorry
Cayla Mazzetta
Katelyn Mitchell
Kim Pongracz
Alexis Sherlin
Kirsten Torrey*
Bradley West*
Kaylee Wilson

Writing Award: Emily Halko

6th Grade
Sara Aller
Rachel Baransky*
Ethan Coss
Cameron D'Amica*
Selena Dayton
Doug Huber*
Michelle O'Toole*
Jared Pershyn*
Annaliese Rohrbaugh
Destiny Roman*
Ashley Roye*

Writing Award: Rachel Baransky

Acceptance Day

A reporter from the Hunterdon County Democrat spent the morning at school visiting and photographing several presentations. See the link below:
http://www.nj.com/hunterdon-county-democrat/index.ssf/2012/02/milford_students_hear_about_di.html

PTO News

Our 5th Annual Tricky Tray event is Saturday, February 25, 2012 at the Milford Fire House. Get your tickets now by calling Meredith at (908) 797-4479 or Lorri at (908) 797-6334. Tickets are \$25/person and include a sheet of tier 1 tickets, plus hot and cold hors d'oeuvres and dessert. We have amazing prizes this year, including an iPad 2, Disney Hopper passes, original

paintings from local artists Jacob Brain and Darcy Jones, a Brother printer, a 32" flat screen t.v., plus baskets and gift cards from our local businesses. This is not only a fun adults-only event, but it's also our school's most important fundraiser. The money generated from the tricky tray funds our artist in residence program, after-school crafts and clubs, dances and family nights such as our recent free family bowling night. Come join us!

It's also not too late to send in the \$5/child donation for the tricky tray. We use this money to defray the cost of purchasing prizes. Thanks for your support!

The PTO will also be hosting a **Read Across America Scholastic Book Fair** in early March; more information to follow on that event!

Don't forget Market Day: as many of you know, Market Day food is both convenient and tasty. The monthly sales also bring in over \$600 for our school each year. Please consider giving Market Day a try!

Tricky Tray

The Tricky Tray raises most of the PTO funds for the school, which pay for the following: some classroom supplies, assemblies, artist in residence, dances, some after school clubs, sports uniforms, etc. Without the monumental efforts of our PTO, many of the extra activities/events will not be possible for our children. Please support our PTO.

VIP Day

Grandparents, aunts, uncles are invited to share the morning on March 1 from 9:00-11:00 for our annual VIP

Day. This day is designed to share some time in school with a special person, one other than immediate family members.

Indoor Sports Carnival

Mrs. Mandatta organized our annual Indoor Sports Carnival on Jan. 27. Younger students participated in games and relay races. Grades 5-8 competed against each other, with the tug of war as the finale. This is an annual event at Milford to help break up the winter season.

Girls and Boys Basketball Teams

The boys and girls basketball teams had a very successful season. Although they did not win many games, they displayed an enormous amount of sportsmanship and perseverance. They helped to clean up the gym after the games and cheered for each other. Congratulations to our boys and girls basketball teams for a job well done!

Mini Mustang Preschool

The preschool class has been working hard and playing hard. We have enjoyed the mild winter weather and love being able to go to the playground almost every day. We are moving through the letters of the alphabet; learning how to make the letters and listening for the sounds they make. We are presently working on letter N, and learning about

NUMBERS! We are counting, measuring, playing with dice and dominos. We are looking for numbers everywhere! We will make NOODLE NECKLACES and try to create a pattern. We will look nice and nifty in our new necklaces.

Next week we will begin letter O for Octopus! We will learn about the ocean and the animals and creatures that live there. We will make an octopus, play on an obstacle course, look for ovals and octagons and obviously go fishing!

Preschool registration is beginning for next September. We are receiving lots of phone calls from families in and out of district. If you know someone in the town of Milford that has a child between the ages of 3-5, please have them call Jan Gleason for information about registering for the 2012-2013 school year.

Kindergarten News

The Kindergarten students have had an exciting week. They have been learning about Abraham Lincoln and George Washington for President's Day. Everyone enjoyed celebrating Valentine's Day by having a class party and opening valentines.

Our class took a walking class trip to the Milford Post Office on Valentine's Day to mail valentines to our parents. The students were given a "behind the counter" tour by Miss Bernie. We learned who our mail carriers are and how our mail is delivered. It was a fun experience.

We have learned 19 letters of the alphabet so far. The remaining letters to learn are **x** and **z** and the five vowels.

We are now reading high-frequency words such as **the**, **is**, and **you**.

The students can identify the following shapes: squares, rectangles, circles, and triangles. They can also identify spheres, cubes, cylinders, and cones. We are now learning about fractions, and our next Math chapter is about the measurement of length, capacity, and weight.

Earth's landforms are being taught in Science. These landforms include valleys, hills, plains, and mountains. We will discuss where water is found on Earth and how we should use water and air.

The students enjoy learning about special days and holidays in February

such as Groundhog Day, Valentine's Day, and President's Day. The Kindergarten class would like to wish you and your family a very Happy Valentine's Day!

Acceptance Day

A reporter from the Hunterdon County Democrat spent the morning at school visiting and photographing several presentations. See the link below:
http://www.nj.com/hunterdon-county-democrat/index.ssf/2012/02/milford_students_hear_about_di.html

PTO News

Our 5th Annual Tricky Tray event is Saturday, February 25, 2012 at the Milford Fire House. Get your tickets now by calling Meredith at (908) 797-4479 or Lorri at (908) 797-6334. Tickets are \$25/person and include a sheet of tier 1 tickets, plus hot and cold hors d'oeuvres and dessert. We have amazing prizes this year, including an iPad 2, Disney Hopper passes, original

paintings from local artists Jacob Brain and Darcy Jones, a Brother printer, a 32" flat screen t.v., plus baskets and gift cards from our local businesses. This is not only a fun adults-only event, but it's also our school's most important fundraiser. The money generated from the tricky tray funds our artist in residence program, after-school crafts and clubs, dances and family nights such as our recent free family bowling night. Come join us!

It's also not too late to send in the \$5/child donation for the tricky tray. We use this money to defray the cost of purchasing prizes. Thanks for your support!

The PTO will also be hosting a **Read Across America Scholastic Book Fair** in early March; more information to follow on that event!

Don't forget Market Day: as many of you know, Market Day food is both convenient and tasty. The monthly sales also bring in over \$600 for our school each year. Please consider giving Market Day a try!

Tricky Tray

The Tricky Tray raises most of the PTO funds for the school, which pay for the following: some classroom supplies, assemblies, artist in residence, dances, some after school clubs, sports uniforms, etc. Without the monumental efforts of our PTO, many of the extra activities/events will not be possible for our children. Please support our PTO.

VIP Day

Grandparents, aunts, uncles are invited to share the morning on March 1 from 9:00-11:00 for our annual VIP

Day. This day is designed to share some time in school with a special person, one other than immediate family members.

Indoor Sports Carnival

Mrs. Mandatta organized our annual Indoor Sports Carnival on Jan. 27. Younger students participated in games and relay races. Grades 5-8 competed against each other, with the tug of war as the finale. This is an annual event at Milford to help break up the winter season.

Girls and Boys Basketball Teams

The boys and girls basketball teams had a very successful season. Although they did not win many games, they displayed an enormous amount of sportsmanship and perseverance. They helped to clean up the gym after the games and cheered for each other. Congratulations to our boys and girls basketball teams for a job well done!

Mini Mustang Preschool

The preschool class has been working hard and playing hard. We have enjoyed the mild winter weather and love being able to go to the playground almost every day. We are moving through the letters of the alphabet; learning how to make the letters and listening for the sounds they make. We are presently working on letter N, and learning about

NUMBERS! We are counting, measuring, playing with dice and dominos. We are looking for numbers everywhere! We will make NOODLE NECKLACES and try to create a pattern. We will look nice and nifty in our new necklaces.

Next week we will begin letter O for Octopus! We will learn about the ocean and the animals and creatures that live there. We will make an octopus, play on an obstacle course, look for ovals and octagons and obviously go fishing!

Preschool registration is beginning for next September. We are receiving lots of phone calls from families in and out of district. If you know someone in the town of Milford that has a child between the ages of 3-5, please have them call Jan Gleason for information about registering for the 2012-2013 school year.

Kindergarten News

The Kindergarten students have had an exciting week. They have been learning about Abraham Lincoln and George Washington for President's Day. Everyone enjoyed celebrating Valentine's Day by having a class party and opening valentines.

Our class took a walking class trip to the Milford Post Office on Valentine's Day to mail valentines to our parents. The students were given a "behind the counter" tour by Miss Bernie. We learned who our mail carriers are and how our mail is delivered. It was a fun experience.

We have learned 19 letters of the alphabet so far. The remaining letters to learn are **x** and **z** and the five vowels.

We are now reading high-frequency words such as **the**, **is**, and **you**.

The students can identify the following shapes: squares, rectangles, circles, and triangles. They can also identify spheres, cubes, cylinders, and cones. We are now learning about fractions, and our next Math chapter is about the measurement of length, capacity, and weight.

Earth's landforms are being taught in Science. These landforms include valleys, hills, plains, and mountains. We will discuss where water is found on Earth and how we should use water and air.

The students enjoy learning about special days and holidays in February

such as Groundhog Day, Valentine's Day, and President's Day. The Kindergarten class would like to wish you and your family a very Happy Valentine's Day!

Dear Parents:

Here is what has been happening at Milford School:

Kindergarten Roundup

Milford residents who have children who will be five years old on or before Oct. 1, 2012 are invited to attend our kindergarten roundup on Tues., Feb. 21 at 1:00PM. Our kindergarten teacher, Mrs. Warner, will present an informational program about our kindergarten curriculum and the children will have a meet and greet with each other.

Parents or guardians must provide a birth certificate, proof of immunizations and a current health physical for kindergarten

registration. If you have any questions, please call the school office at 995-4349.

Student of the Week

Jessica Huber is our student of the week. She was nominated by her entire fourth grade class because she is extremely nice and helpful and a hard worker. Jessica studies very hard for tests and is successful. According to her classmates, she is nice 24 hours a day, 7 days a week, and 52 weeks a year! Congratulations, Jessica!

Honor Roll

I am delighted to announce the following students who have earned the honor roll for the second marking period:

8th Grade
Katie Haff*
Maisa Kimble
Liam McCracken
Jarrid Roye*
Brianna Schonheiter
Sean Thompson*

Writing Award: Katie Haff

7th Grade
Eli Andrade
Francesca Appello*

Alicia Dorry
Cayla Mazzetta
Katelyn Mitchell
Kim Pongracz
Alexis Sherlin
Kirsten Torrey*
Bradley West*
Kaylee Wilson

Writing Award: Emily Halko

6th Grade
Sara Aller
Rachel Baransky*
Ethan Coss
Cameron D'Amica*
Selena Dayton
Doug Huber*
Michelle O'Toole*
Jared Pershyn*
Annaliese Rohrbaugh
Destiny Roman*
Ashley Roye*

Writing Award: Rachel Baransky

Acceptance Day

Mrs. Mandatta organized our annual Indoor Sports Carnival on Jan. 27. Younger students participated in games and relay races. Grades 5-8 competed against each other, with the tug of war as the finale. This is an annual event at Milford to help break up the winter season.

Girls and Boys Basketball Teams

The boys and girls basketball teams had a very successful season. Although they did not win many games, they displayed an enormous amount of sportsmanship and perseverance. They helped to clean up the gym after the games and cheered for each other. Congratulations to our boys and girls basketball teams for a job well done!

Mini Mustang Preschool

The preschool class has been working hard and playing hard. We have enjoyed the mild winter weather and love being able to go to the playground almost every day. We are moving through the letters of the alphabet; learning how to make the letters and listening for the sounds they make. We are presently working on letter N, and learning about

NUMBERS! We are counting, measuring, playing with dice and dominos. We are looking for numbers everywhere! We will make NOODLE NECKLACES and try to create a pattern. We will look nice and nifty in our new necklaces.

Next week we will begin letter O for Octopus! We will learn about the ocean and the animals and creatures that live there. We will make an octopus, play on an obstacle course, look for ovals and octagons and obviously go fishing!

Preschool registration is beginning for next September. We are receiving lots of phone calls from families in and out of district. If you know someone in the town of Milford that has a child between the ages of 3-5, please have them call Jan Gleason for information about registering for the 2012-2013 school year.

Kindergarten News

The Kindergarten students have had an exciting week. They have been learning about Abraham Lincoln and George Washington for President's Day. Everyone enjoyed celebrating Valentine's Day by having a class party and opening valentines.

Our class took a walking class trip to the Milford Post Office on Valentine's Day to mail valentines to our parents. The students were given a "behind the counter" tour by Miss Bernie. We learned who our mail carriers are and how our mail is delivered. It was a fun experience.

We have learned 19 letters of the alphabet so far. The remaining letters to learn are **x** and **z** and the five vowels.

We are now reading high-frequency words such as **the**, **is**, and **you**.

The students can identify the following shapes: squares, rectangles, circles, and triangles. They can also identify spheres, cubes, cylinders, and cones. We are now learning about fractions, and our next Math chapter is about the measurement of length, capacity, and weight.

Earth's landforms are being taught in Science. These landforms include valleys, hills, plains, and mountains. We will discuss where water is found on Earth and how we should use water and air.

The students enjoy learning about special days and holidays in February

such as Groundhog Day, Valentine's Day, and President's Day. The Kindergarten class would like to wish you and your family a very Happy Valentine's Day!

Dates to Note:

- Feb. 17-20 Presidents Weekend
School Closed
- Feb. 24 Jump Rope for Heart
School Spirit Day
- Feb. 25 PTO Tricky Tray
- Feb. 29 Progress Reports for Gr. 6-8
Board of Ed. Mtg. 7:00
- March 1 VIP Day
PTO Book Fair
- March 2 Read Across America Day

Dear Parents:

Here is what has been happening at Milford School:

Kindergarten Roundup

Milford residents who have children who will be five years old on or before Oct. 1, 2012 are invited to attend our kindergarten roundup on Tues., Feb. 21 at 1:00PM. Our kindergarten teacher, Mrs. Warner, will present an informational program about our kindergarten curriculum and the children will have a meet and greet with each other.

Parents or guardians must provide a birth certificate, proof of immunizations and a current health physical for kindergarten

registration. If you have any questions, please call the school office at 995-4349.

Student of the Week

Jessica Huber is our student of the week. She was nominated by her entire fourth grade class because she is extremely nice and helpful and a hard worker. Jessica studies very hard for tests and is successful. According to her classmates, she is nice 24 hours a day, 7 days a week, and 52 weeks a year! Congratulations, Jessica!

Honor Roll

I am delighted to announce the following students who have earned the honor roll for the second marking period:

8th Grade
Katie Haff*
Maisa Kimble
Liam McCracken
Jarrid Roye*
Brianna Schonheiter
Sean Thompson*

Writing Award: Katie Haff

7th Grade
Eli Andrade
Francesca Appello*

Alicia Dorry
Cayla Mazzetta
Katelyn Mitchell
Kim Pongracz
Alexis Sherlin
Kirsten Torrey*
Bradley West*
Kaylee Wilson

Writing Award: Emily Halko

6th Grade
Sara Aller
Rachel Baransky*
Ethan Coss
Cameron D'Amica*
Selena Dayton
Doug Huber*
Michelle O'Toole*
Jared Pershyn*
Annaliese Rohrbaugh
Destiny Roman*
Ashley Roye*

Writing Award: Rachel Baransky

Acceptance Day

A reporter from the Hunterdon County Democrat spent the morning at school visiting and photographing several presentations. See the link below:

PTO News

Our 5th Annual Tricky Tray event is Saturday, February 25, 2012 at the Milford Fire House. Get your tickets now by calling Meredith at (908) 797-4479 or Lorri at (908) 797-6334. Tickets are \$25/person and include a sheet of tier 1 tickets, plus hot and cold hors d'oeuvres and dessert. We have amazing prizes this year, including an iPad 2, Disney Hopper passes, original

paintings from local artists Jacob Brain and Darcy Jones, a Brother printer, a 32" flat screen t.v., plus baskets and gift cards from our local businesses. This is not only a fun adults-only event, but it's also our school's most important fundraiser. The money generated from the tricky tray funds our artist in residence program, after-school crafts and clubs, dances and family nights such as our recent free family bowling night. Come join us!

It's also not too late to send in the \$5/child donation for the tricky tray. We use this money to defray the cost of purchasing prizes. Thanks for your support!

The PTO will also be hosting a **Read Across America Scholastic Book Fair** in early March; more information to follow on that event!

Don't forget Market Day: as many of you know, Market Day food is both convenient and tasty. The monthly sales also bring in over \$600 for our school each year. Please consider giving Market Day a try!

Tricky Tray

The Tricky Tray raises most of the PTO funds for the school, which pay for the following: some classroom supplies, assemblies, artist in residence, dances, some after school clubs, sports uniforms, etc. Without the monumental efforts of our PTO, many of the extra activities/events will not be possible for our children. Please support our PTO.

VIP Day

Grandparents, aunts, uncles are invited to share the morning on March 1 from 9:00-11:00 for our annual VIP

Day. This day is designed to share some time in school with a special person, one other than immediate family members.

Indoor Sports Carnival

Mrs. Mandatta organized our annual Indoor Sports Carnival on Jan. 27. Younger students participated in games and relay races. Grades 5-8 competed against each other, with the tug of war as the finale. This is an annual event at Milford to help break up the winter season.
