Dates to Note:

Student of the Week

Abby Schaefer is our student of the week. She was nominated by Mrs. Andresen because she is an outstanding student who is very enthusiastic about school and is extremely motivated to always do her best. Abby applies what she learns and works hard to improve her skills. She is helpful and kind to everyone and has a great sense of humor. Congratulations, Abby!

From Mrs. Mandatta

The students have been working hard at applying the F.I.T.T. Principles in all the activities during Physical Education class. The middle school students have been using Plyometrics to improve their muscle conditioning and they are having fun playing Basketball.

The younger students have been learning about different Locomotor skills and why they are important. They are also working on improving their throwing with accuracy and receiving with two hands.

Please check out the bulletin board in the gym to see our P.E. Students of the Month honorees. Congratulations to all.

I would also like to thank all the volunteers who made the Breakfast with Santa a huge success. The PTO members helped with shopping for the food and got up early to start making the pancakes, waffles, sausage, and bacon. The kids had a lot of fun making crafts, visiting with Santa, and hanging with their friends and family.

The Student Council and Yearbook students did a fantastic job at being food servers and helpers at the craft tables.
