

# PURE AWESOME ROOM

Mrs. Guerin/Faulkinberry

It's amazing that we are going into Fall already. The school year has been wonderful so far. The students have come prepared and eager to learn.

## 7<sup>th</sup> L.Arts

We have been studying, reviewing and identifying sentences. Identifying subjects and predicates and knowing how to find them in sentences. We also started our first unit in Voc. on 9-19-11. Our vocabulary words will also be our spelling words. Every Friday we will have a spelling and vocabulary test. Memory work on poems this year will need to be memorized by Friday 10-7-11. Book reports due the Friday 10-14-11. Homework is given M-F.

## 6<sup>th</sup>-8<sup>th</sup> Math

Students are individualized on their grade levels and abilities. In 6<sup>th</sup> grade math, we are learning place value. 7<sup>th</sup>-8<sup>th</sup> grade we are focusing on decimals and intergers. We are also dividing and multiplying with decimals. Homework is given M-F.

## 7<sup>th</sup> Lit.

The students have done a fine job on their summer reading projects. The projects pertain to the book Flush. We are studying and reviewing the book now. Flush is a very interesting book and has unusual characters. The students are working on comprehension, reading strategies and sequencing. There will be a test the last week of Sept. Homework is given M-F.

## Basic Skills

We are comprehending, decoding and sequencing in Basic Skills. Everyone is catching on nicely.

## 6<sup>th</sup>-7<sup>th</sup> Life Skills

We are learning all different aspects on how to focus on our surroundings so our learning skills will become more adept.
