

Mini Mustangs Inclusive Preschool

The Milford Preschool program is designed to accommodate all children ages 3 to 5 years old. The curriculum is age appropriate and modified for the individual abilities of the students. The letters of the alphabet are introduced and each week a different theme based on that letter is explored. We recently learned about the letter “S” by studying space. We found many things in the sky that start with the letter S, like sun, star, Saturn, spaceship and satellite.

We painted a large appliance box and used it as our spaceship. We sang songs about the planets in the sky and painted planets of our own. The students sorted and counted stars by color and many students were able to create a pattern using the different color stars.

The students are given an opportunity to play everyday and socialize with their friends. We play on the playground as often as the weather will allow to exercise the large muscles in the body. The students are fortunate to have our special area teachers teach them music, art and gym. We also have a speech therapist, an occupational therapist and a physical therapist on staff.

We offer full day and half day programs. If you are interested or would like to visit the school, please call the preschool classroom for an appointment. (Extension 13)

Monday, Tuesday, Friday 8:30-11:30	\$150/month
Monday, Tuesday, Friday 8:30- 3:15	\$250/month
Monday – Friday 8:30-11:30	\$250/month
